

Standards Gradebook in Skyward Family Access

This guide provides step-by-step instructions on how to access your student's standards gradebook in Skyward Family Access. In the following examples, you will see Ms. Granum's algebra gradebook, which contains Subjects, Skills and Events. As Events are completed, a numeric grade mark is entered into the gradebook.

Please Note: For details on standards-based grading and the 4-point scale, refer to the handout "What is standards-based grading?" made available on the Family Access message wall on February 1, 2017 or you can obtain this document from your student's teacher.

1. Log in to Skyward Family Access.
2. Click **Gradebook** on the left menu.

Note: If you have more than one student, click the **All Students** drop-down menu and then choose a student.

The screenshot shows the Skyward Family Access web interface. On the left is a navigation menu with items like Home, Ethnicity/Race, Calendar, Gradebook (circled in red), Attendance, Student Info, Food Service, Schedule, Discipline, Test Scores, Fee Management, Activities, Graduation Requirements, Homeroom, Conferences, Academic History, Portfolio, Health Info, and Login History. The main content area shows a message from Jennifer Granum, dated Wed Mar 1, 2017 11:54am, titled "Math Up-Date". The message discusses student behavior rubric completion and mentions "Student Led Conferences" and "Standards Based Grading". Below the message is a "Payment made to Food Service Account" notification from Tue Feb 28, 2017 4:00pm. On the right side, there is an "Upcoming Events" calendar section listing events like "LATE ARRIVAL" and "Spring Break" for MCMurray Middle School and Vashon Island High School. At the top right, there are links for "My Account", "Exit", "Select Language", and "District Links".

- Courses with the Standards Gradebook will have a book button  to the right of the course name or subjects. If you do not see the book button, click the triangle to the left of the class name to expand into subjects.
