

“GETTING IT DONE!”

Scorecard - Chautauqua Elementary School 2023/2024

In addition to the four goals outlined in the full [VISD Strategic Plan](#), Chautauqua Elementary School developed its own [CES School Improvement Plan](#) unique to its focus and aligned, still, with the VISD five-year strategic plan. Using [VISD Data Tables](#) and the goals from the strategic plan, each school also defined vital signs that will enable it to monitor and communicate with internal and external stakeholders, as appropriate. This scorecard documents progress toward department goals and targets.

The CES School Improvement Plan identifies four goals for student success from the following two strategic plan goal areas:

Strong Roots - Early Learning *Cultivating the foundations for learning*

- GOAL #1 - Increase Self Efficacy & Social Engagement
- GOAL #2 - Increase Supportive Learning Environment & Sense of Belonging

Critical Thinking & Mastery Learning *Acquiring core knowledge, skills, and disposition*

- GOAL #3 - Increase Reading Proficiency
- GOAL #4 - Increase Math Proficiency.
