

Much of what we highlight in Chautauqua Shines is found on our school website. We hope you take some time to visit us at: <http://www.vashonsd.org/ces>

Veteran's Day Assembly

Along with the McMurray Middle School Symphonic Band and Choir, Chautauqua students joined together to honor our veterans during a special assembly. The CES choir also performed, essays were shared and the assembly concluded with the traditional slideshow of the military relatives of our staff and student body.

At Chautauqua we focus on Respect for SOLE.
SOLE stands for Self, Others, Learning and Environment...
...and we try to show respect for each of them every day.
Check out the [SOLE Center](#) on our website.
As part of our school-wide culture, SOLE is encouraged throughout the school. What are some ways your family shows Respect for SOLE at home?

The Golden Book is Full!

In September of 2015 we began the Golden Book ceremony, where students showing SOLE were able to earn tickets from staff around the school. Each Monday, the names of the previous week's SOLE ticket earners are read over the loud speaker and those students are invited to the main entrance to enter their name in the Golden Book. It's one of the highlights of our SOLE program, for students and staff.

One November 26th, 2018, we filled up the last page of the original Golden Book. A new Golden Book begins the first week of December. Congratulations to all the students, past, present and future, who have signed the Golden Book!

Kindergartners show off the filled-up original Golden Book and the empty-for-now, new Golden Book.

Chautauqua Studios Is On The Air! (On the Web, we mean)

We've produced a lot of videos over the years. Some for fun, some for learning.

You can see them on the [Chautauqua Studios Vimeo](#) page. Look for the tab under the Student Life menu on the [CES website](#). You might just recognize someone you know!

Science

The PTSA sponsored the annual Family Science Night in November. Students and visitors explored robots, simple machines and more.

5th Grade Robotics

The 5th grade robotics program is taught throughout the year, with each 5th grade class concluding their turn with a presentation of their specially designed robots.

Doug Swan's class recently completed and shared their projects.

The 2018 Turkey Trot

The sun came out to make this year's Turkey Trot a rousing success.

Students ran, walked or a combination of the two, a course leading from Vashon High School to the front of Chautauqua. They were led by official "Turkeys", members of the VHS cross country team, wearing turkey hats.
